Dear Parents/Carers,
It's been a fantastic fortnight here at Chattenden! We recently celebrated Year 4's wonderful learning in their class assembly, and we want to say a huge thank you to all the parents in Year R and Year 1 who attended our phonics and reading workshops.

Looking ahead to next week, we are excited for our Great Athlete sponsorship event, as well as our SEND coffee afternoon on Tuesday 13th October at 2:30 PM. Please also remember that parents' consultations are coming up—a wonderful opportunity to catch up with your child's class teacher.

Remembrance Day Poppy Pebbles

We are collecting pebbles for our art project to mark Remembrance Day. If you have any good size flat pebbles please can you send them into school!

Harvest Festival

As part of our upcoming Harvest Festival celebrations, we are collecting food donations to support the Medway Foodbank. If you are able to contribute, please send in non-perishable food items with your children by Weds 14th October. Your generosity will help support local families in need.
Thank you for your kindness and support.

Playground Reminders

Please review the following friendly reminders regarding safety and etiquette on our school playground and grounds:
Dogs on School Grounds: For safety and hygiene reasons, dogs are strictly prohibited on the playground and school grounds, even small or hand-held pets. Please note that Lady, our school mentor dog, is fully trained, licensed and insured to be on the premises.
Bikes and Scooters: For the safety of everyone, please ensure that all bikes and scooters are walked once you enter the school grounds and playground area.
Thank you for your cooperation in keeping our school community safe.

JLT have spoken and they want to celebrate birthdays!

We are excited to share that our Junior Leadership Team (JLT) has come up with the idea that we should make birthdays extra special at school! To help every child celebrate, we have a birthday box filled with badges, sashes, and more. Birthdays are wonderful milestones, but they are also important days to be in school—not days to take off. We want every child to celebrate with their friends and teachers at school. If your child's birthday falls on a weekend or during a holiday, we will happily celebrate with them on the first Monday following their special day. Let's make sure every birthday is celebrated where it belongs: right here at school!
